

THE BANK REPORT, or rather reports—for it is now said, as our letters from Washington tell us, that there will be three—were confidently expected to be made on Monday. Three of the committee, Messrs. *McDuffie*, *Adams*, and *Watmough*, will report in favor of the Bank, Messrs. *Clayton* and *Cambreleg* will make an *ultra* report, and Messrs. *Johnson* and *Thomas* a *modified* one against it.
